

Draft agenda of the Validation workshop, organised by EuroGeographics, JRC and EuroSDR

Day 1: 02 June 2016

Time	Topic	Presentation	Presenter
8:45 – 9:00	Registration		
9:00 – 10:00	Introduction	Introduction : why this workshop?	Michael Lutz (JRC) Dominique Laurent (EG) Joep Crompvoets (EuroSDR)
		Questions from participants	Dominique Laurent (EG)
		Validation quick scan	Marie Lambois (IGN France)
10:00 – 11:00	Validation and conformity testing in the INSPIRE maintenance and implementation group (MIG) - State of play and future plans	Overview, Development of Abstract Test Suites (ATs)	Michael Lutz (JRC)
		Development of the INSPIRE Test Framework and executable test suites (ETSs)	Clemens Portele (interactive instruments)
11:00 – 11:30	Coffee pause sponsored by EuroSDR		
11:30 – 13:00	Metadata validation Chair: Christina Wasström	INSPIRE geoportal validation tool	Michael Lutz or tbd (JRC)
		National Experience with Metadata Validation from the Czech Republic	Ivana Svatá, Veronika Kůsová (CUZK)
		Validator for French GeoCatalogue	Etienne Taffureau (BRGM)
		How ICGC / IDEC is adapting metadata to INSPIRE requirements	Joel Plana (ICGC)
		Analysis of INSPIRE French data GeoCatalogue: choice between validation or guidance	Pierre Vergez (IGN France)
13:00 – 14:15	Lunch pause sponsored by EuroGeographics		
14:15 – 15:45	Services validation (1) Chair: Michael Lutz	Validation of services in the European Location Framework(ELF) project.	Roy Mellum (Kartverket)
		Validating OGC web services against INSPIRE requirements, the ELF experience	Clemens Portele / Jon Herrmann (Interactive instruments)
		INSPIRE Spatial Data Service validation with Spatineo tools	Mr. Ilkka Rinne (Spatineo)
15:45 – 16:15	Coffee pause sponsored by EuroSDR		
16:15 – 17:30	Services validation (2) Chair: Michael Lutz	Validating INSPIRE services: A piece of cake	Mickel Langeveld (Kadaster)
		Using OGC Validation Tools to validate INSPIRE Network Services, Metadata and Data	Luis Bermudez and Bart De Lathouwer (OGC-Europe)
		Discussion on Metadata and services	

Day 2: 3rd June 2016

Time	Topic	Presentation	Presenter
9:00 – 10:30	Data validation (1) Chair: Dominique Laurent	ELF data validation with GO Publisher	Alberto Olivares (Snowflake Software)
		The eENVplus Validation Service	Giacomo Martirano (Epsilon Italia)
		FME Validation Tools for INSPIRE	Ken Bragg (Safe software)
		Data validation against schema and source data	Didier Bouteloup (IGN France)
10:30 – 11:00	Coffee pause sponsored by EuroSDR		
11:00 – 12:30	Data validation (2) Chair: Dominique Laurent	Quality Tests Framework for INSPIRE Datasets	Markus Seifert
		Data validation concepts and techniques to guarantee a minimum INSPIRE compatibility	Richard Mitanchey, tbc (COVADIS)
		Discussion on Data validation	
12:30 – 13:45	Lunch pause sponsored by EuroGeographics		
13:45 – 14:45	Purpose - benefits of validation Chair: Joep Cromptvoets	GDI-DE Test suite - improving quality of metadata and services	Sven Böhme (BKG) Daniela Hogrebe (GDI-DE)
		INSPIRE testing and validation in Belgium: a way to steer and guide implementation actions	D.Vandenbroucke, S. Keijers, A, Crabbé, N. Delattre, T. Callens, O.Kissiyar
		Validation supporting the inspire monitoring obligation	Ine de Visser (Geonovum)
14:45 – 15:30	Conclusions	From European Commission point of view	JRC (Michael Lutz)
		From producers point of view	EuroGeographics (Dominique Laurent)
		From research point of view	EuroSDR (Joep Cromptvoets)
