Get ready for INSPIRE Annex III

Who plays music for INSPIRE today?

Heino Rudolf

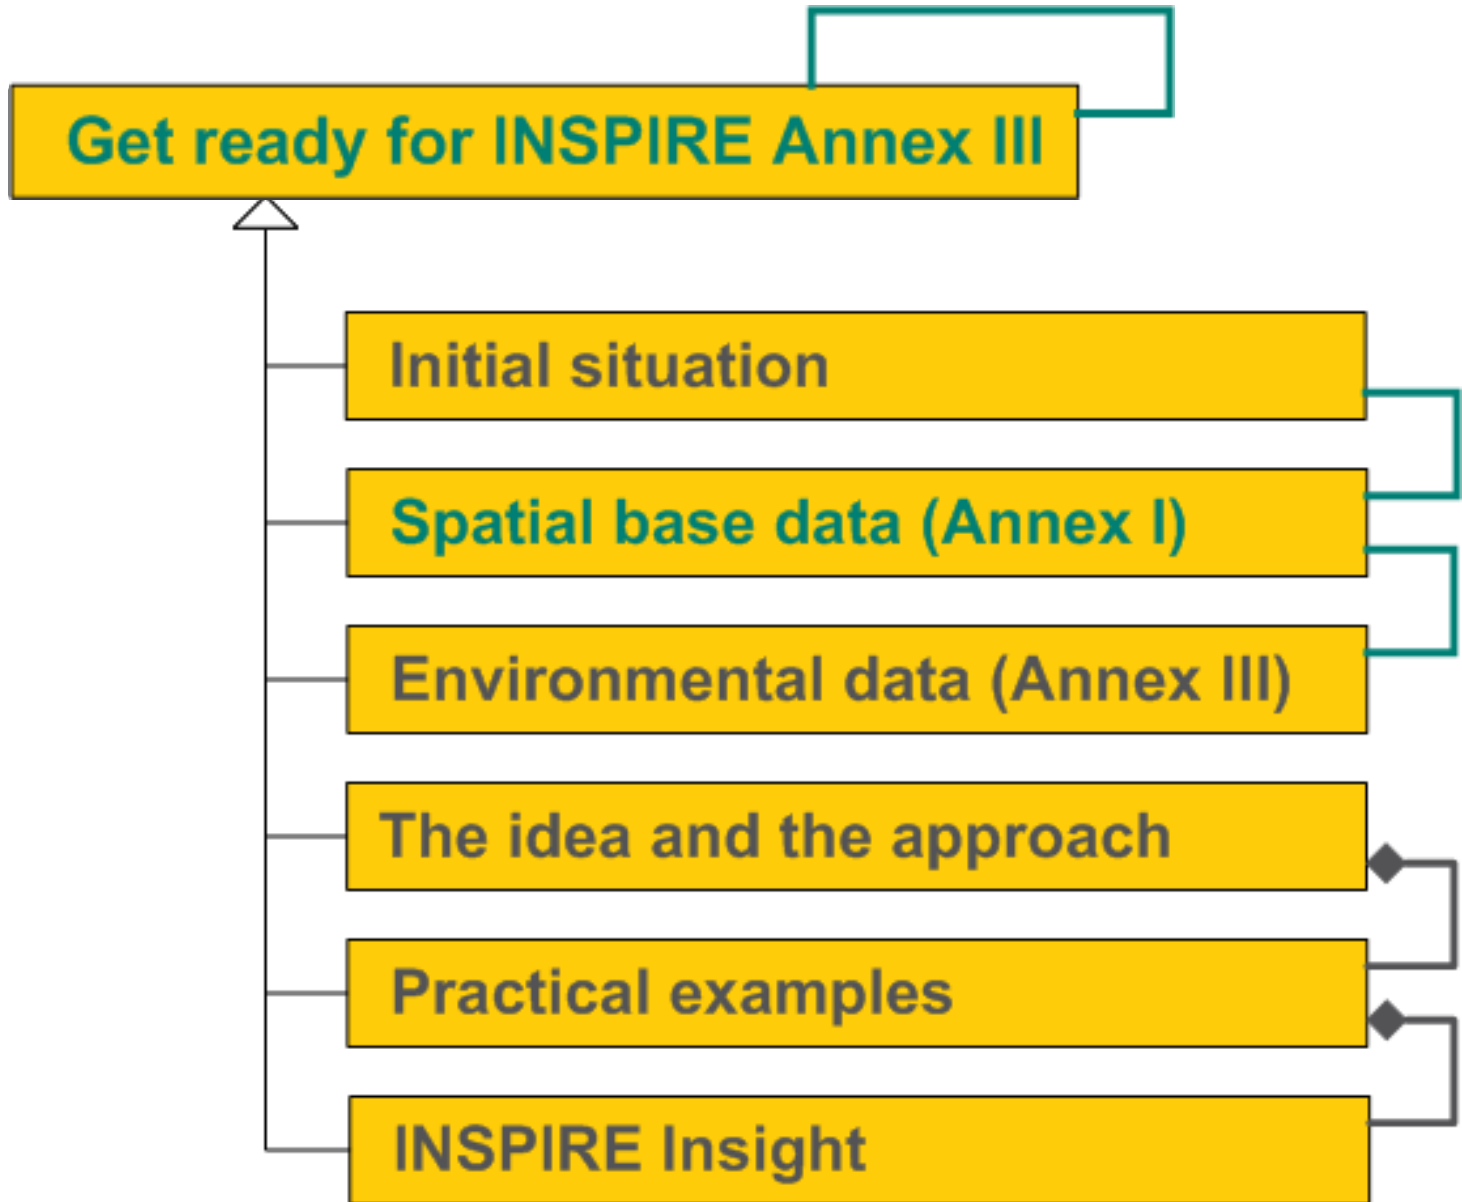

Workshop „Use of INSPIRE data“, 28.11.2018, Warsaw

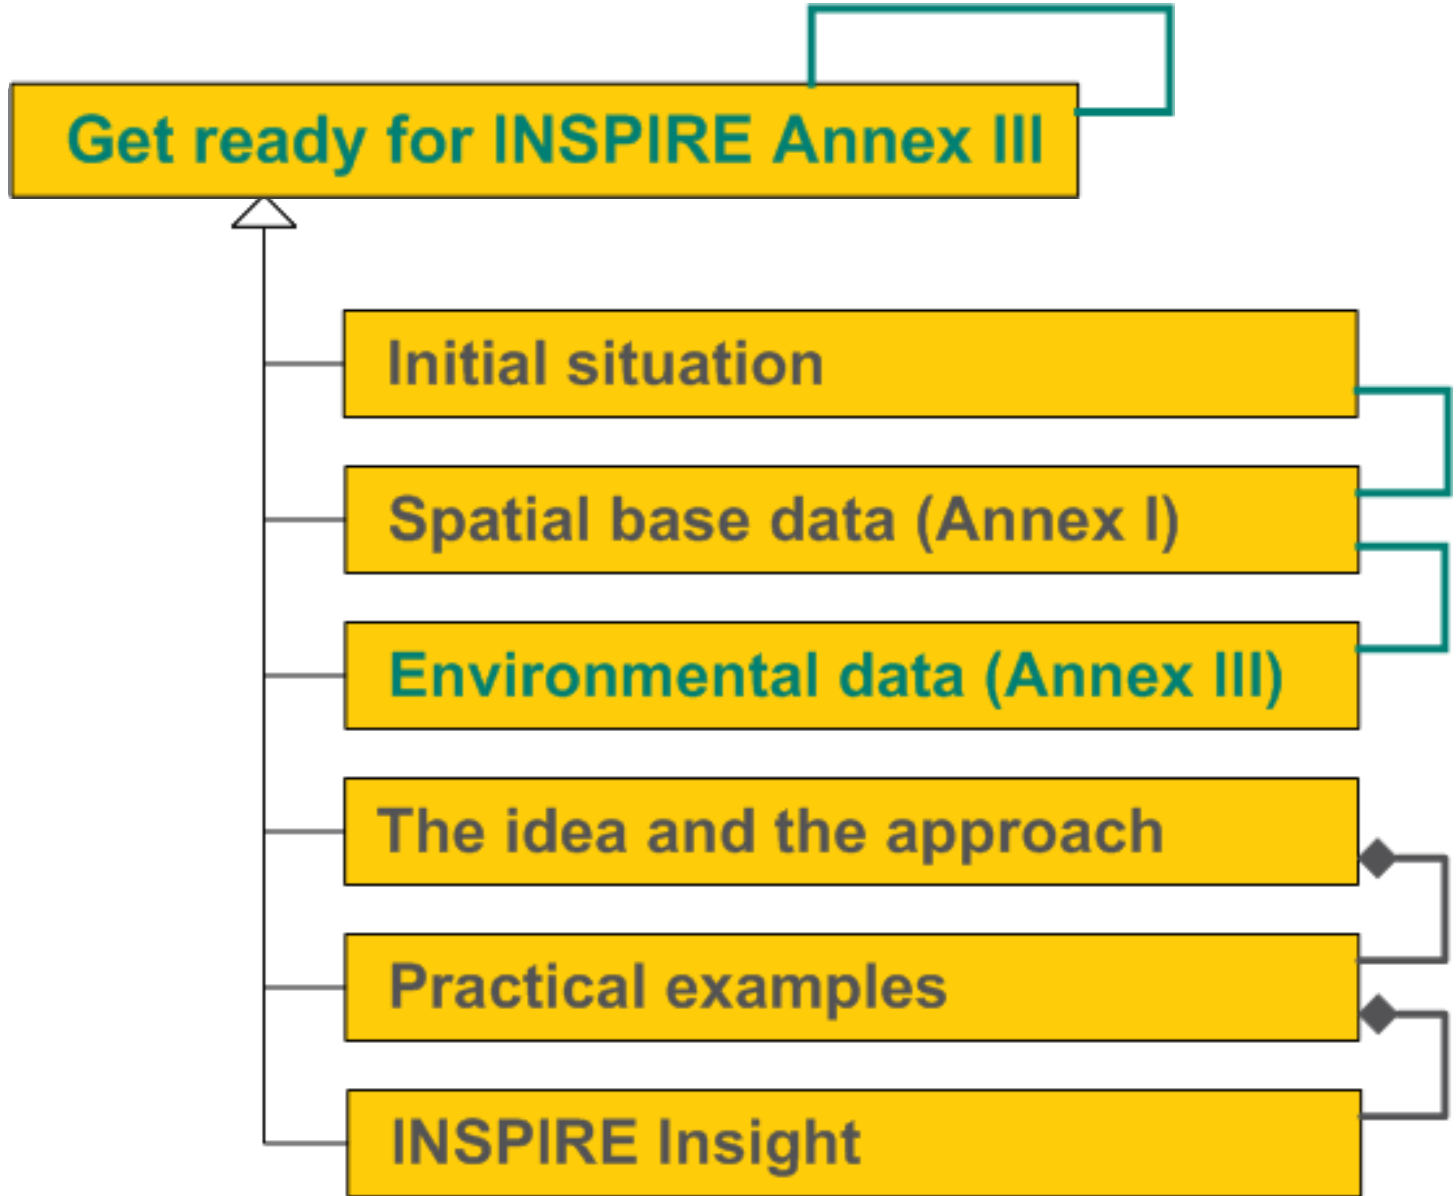

Initial situation

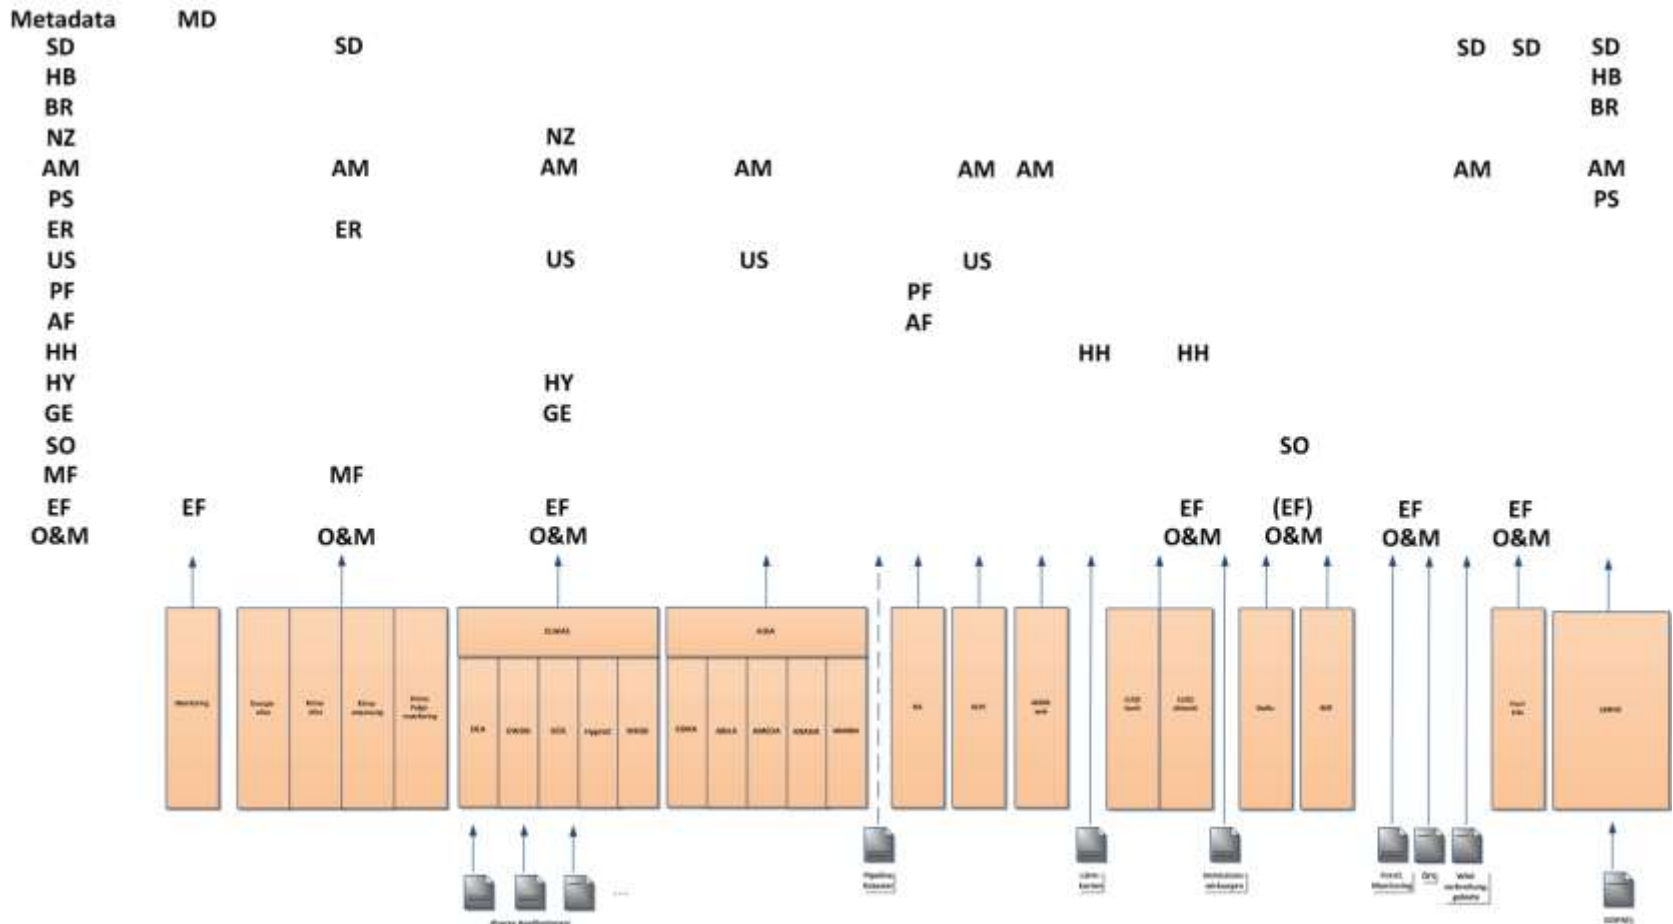

- INSPIRE does not support the actual work of the environmental offices.
- INSPIRE does not support environmental reporting.
- INSPIRE data models do not help to organize the Theme Crossed harmonization of the data management.
- The kind of modelling is contra to the working method.
- The models are incomprehensible.
- INSPIRE is an additional duty – without practical working advantages ...

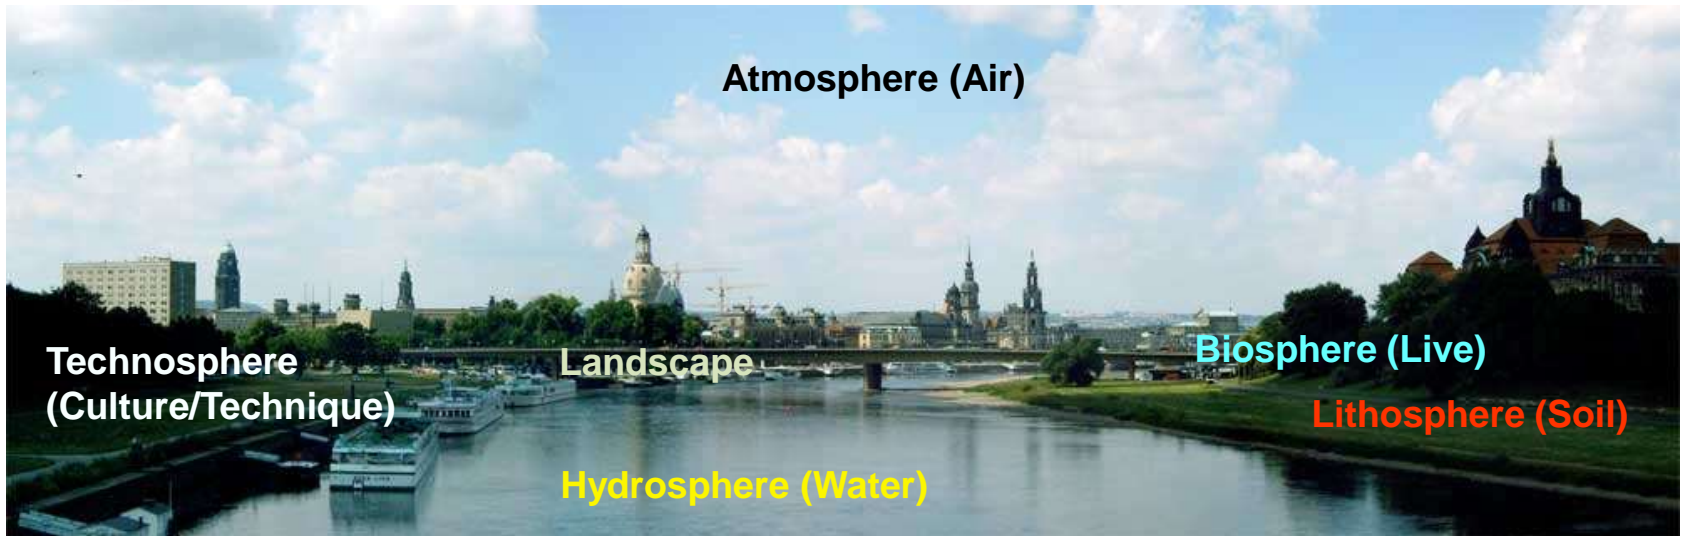

Environmental data

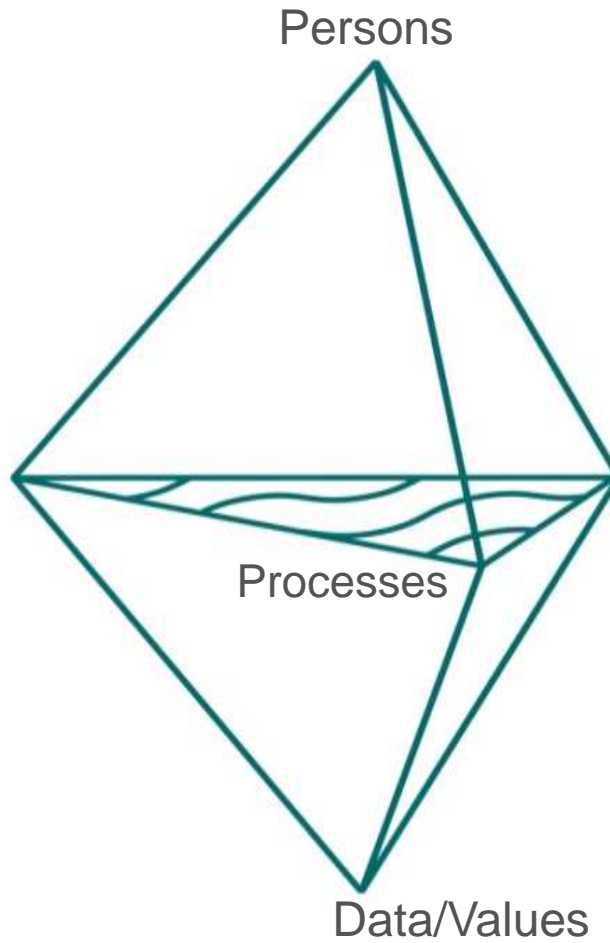

The idea
