Digital Services for Professionals

Notaries: Search data and submit deeds

Lawyers: Search data and submit documents

Engineers: Search data and submit maps

1M rights/month

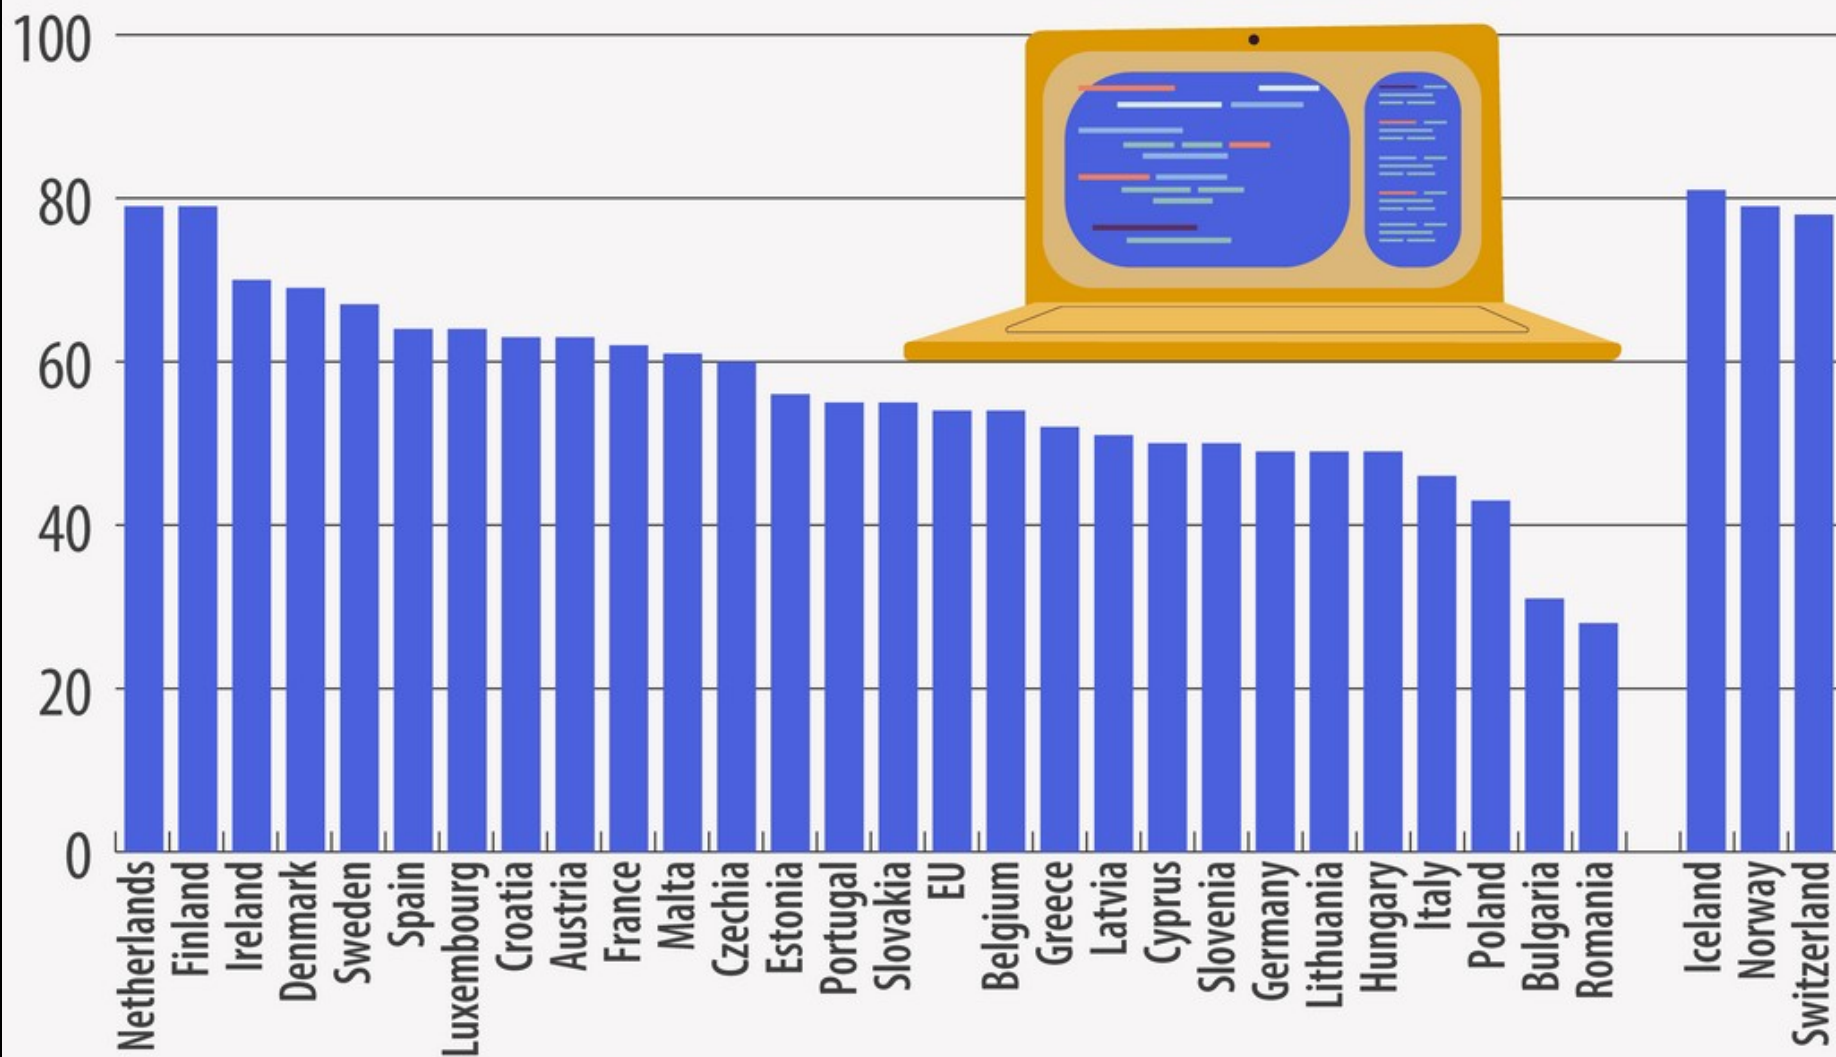

Digital submission of property transactions

2021: 4541 / 100598 (4,5 %)

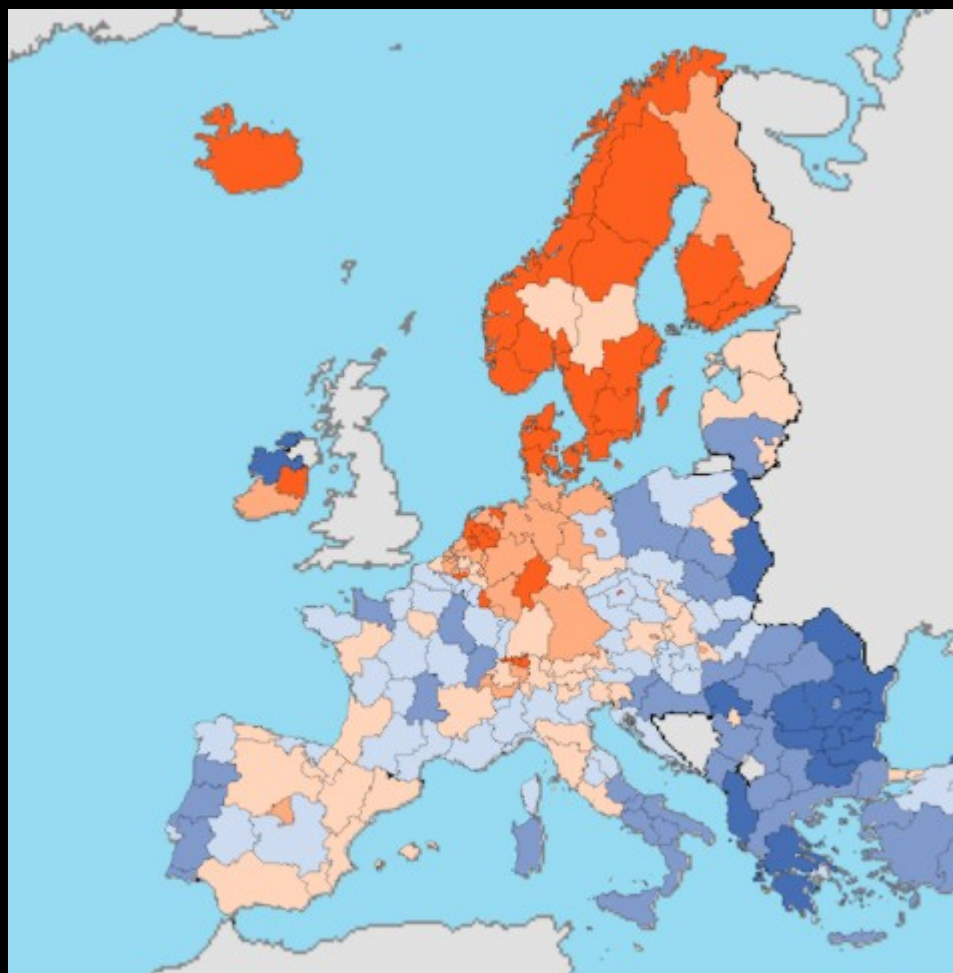

2022: 3856 / 67806 (5,7 %)

People with at least basic overall digital skills in 2021

(% of people aged 16-74)

Overall digital skills refer to five areas: information and data literacy skills, communication and collaboration skills, digital content creation skills, safety skills and problem solving skills. To have at least basic overall digital skills, people must know how to do at least one activity related to each area. For more information on the types of activities related to each skill, consult the metadata file.

Daily internet users during the three months preceding the survey, 2020 (% of people aged 16-74 years, by NUTS 2 regions)
