

ELS Service Level Agreement

The services shall be provided by Data provider according to the requirements as laid down in the [Implementing Rules for Spatial Data Services](#) and [Technical Guidelines](#) implementing the EU Directive 2007/2/EC (INSPIRE directive).

Actions by Data Provider arranging and updating the service

1. Data provider sets the web service and metadata;
2. Data provider tests the compliancy of the national service triggering the [INSPIRE validator](#) ;
3. Data provider completes the ELS service information spreadsheet (the template is available from [ELS Data Supply basecamp](#) or in the [Open ELS website](#)).
4. Data provider sends the ELS service information spreadsheet and the ELS compliancy test report to [Saulius Urbanas](#) (EGHO).
