## Registration

The registration to the conference is compulsory and will have to be done online through the NOVENTO system. It will be accessible at <https://delegate.eu2016.sk> between 17 September and 5 November. The registration process will require a country delegation code, which will be sent separately to all delegates that are in the PCC distribution list. Participants from EULIS and EuroGeographics will have to go through the pre-registration process as described further below.

Deadline for registration: 5 November 2016

## Pre-registration for participants from EuroGeographics and EULIS

As the participants from EuroGeographics and EULIS are not known in advance, they have to pre-register themselves at the EuroGeographics webpage: <http://www.eurogeographics.org/event/pcc-eulis-clrken-joint-conference>. Pre-registered participants will then be sent the delegation code, with which they have to register through the NOVENTO system.

Deadline for pre-registration: 16 October 2016
